

Our Shaklee Story ...To say that Shaklee has changed our life is an understatement! Shaklee has been so much more than a job for me. Freedom, Flexibility Friends and Finances ... that's Shaklee! I could stay at home and run a thriving, very fulfilling health business and be a full time Mom for our 3 great kids. We have traveled the world through Shaklee, taking our children on many of these incredible trips to places like Austria, Australia, Hawaii, Hong Kong, Thailand, Switzerland, England, Italy etc. etc. We have memories that will last a life time! Our Shaklee peers are true friends ... people we dearly love and cherish. They are family. Shaklee has been a means for us to help large numbers of people with their health and their finances. To help ourselves is great, but when you can give to others and impact a real change in their life ... well, nothing compares to that!

Our Shaklee income has allowed us to send our kids to Christian Schools, have 2 beautiful homes ... one in the city and another in the country, help our grandchildren with tuition, travel as we choose, (we recently spent a week "walking and walking!" in Washington DC, touring with 2 of our grandchildren) have an office manager to help with our business, someone to clean and someone to take care of the yard. And did I mention One of the most important benefits has been our incredible health! Neither Bob or I take any medication (drugs) only lots of supplements!

If you want a lifestyle that is fulfilling beyond words ... BUILD A SHAKLEE BUSINESS!

Life is a Gift ... Unwrap It!
